

Environment Policy Quick Reference

Nunatsiavut Group of Companies is committed to reducing our environmental footprint and promoting environmental stewardship at all levels of our organization.

We will make environmental requirements an integral part of our business; minimize health hazards; and evaluate and assess environmental protection and risks

Where economically feasible, we will purchase environmentally preferable supplies and services.

Where possible, we will strive to minimize pollution and waste, conserve energy and water, and protect habitat.

We will evaluate and monitor our environmental performance.

We will encourage contractors and suppliers to meet our standards.

We will educate our employees about our efforts to improve NGC's environmental standards.

A healthy environment benefits everyone.
Our commitment to environmental stewardship is long-term.
